FINANCIAL AID

Federal and State Financial Aid

Quest Nursing Education Center does not participate in federal and state financial aid programs.

Other forms of Financial Aid

Students may finance their education through Private third-party loans and scholarships. Quest Nursing Education Center will provide the third party with access to the Institutions catalog so that the third party will have information regarding the program and Institution the student will be attending.

OBTAINING A LOAN TO PAY FOR YOUR EDUCATIONAL PROGRAM

If you are a student obtaining a loan to pay for your educational program, the following statements apply to you:

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal financial aid funds.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

THIS INSTITUTION DOES NOT EXTEND CREDIT OR LEND MONEY TO AN INDIVIDUAL OR INSTITUTIONAL AND NONINSTITUTIONAL CHARGES FOR AN EDUCATIONAL PROGRAM

FORMS OF PAYMENT:

Quest Nursing Education Center accepts credit cards, money orders, and Cashier's checks for payment. Quest Nursing Education Center does not accept personal checks.

Student Tuition Recovery Fund (STRF)

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste 225 Sacramento, CA 95834 P.O. Box 980818, West Sacramento, CA 95798-0818, (916) 431-6959 or (888) 370-7589

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

STUDENT'S RIGHT TO CANCEL

The student has a right to cancel and obtain a refund of charges according to the standards set forth by CEC 94920 (b) which states: Institutions shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.

REFUND POLICY

This policy applies to students who withdraw from attending the educational program.

A student shall be considered to have withdrawn from an educational program when he or she withdraws or is deemed withdrawn by the institution; It is when a student is unable to continue attendance in the educational program regardless of reason. The refund policy applies as follows: Once a student completes more than 60% of their educational program, they are responsible for paying the full tuition for the course

*There is no refund for a student who has completed more than 60% of their educational program. For students who complete less than 60% of an Educational Program, the following applies:

Students will receive a refund of amounts paid to the School in excess of their calculated Cost of Instruction.

[Cost of Instruction = (Cost per clock hour) x number of hours attended.]

Total Course Tuition paid by Student - Cost of Instruction = Refund due

-Once fees become non-refundable, they do not figure into refund calculations

-(Please review the breakdown of charges for the program you are enrolling in to identify the non-refundable fees and associated time-frame and cost per clock hour).

-Tuition Paid on behalf of a student by a third party will be subject to this same refund policy stated here.

-If an institution has collected money from a student for transmittal on the student's behalf to a third party for a bond, library usage, or fees for a license, application, or examination and the institution has not paid the money to the third party at the time of the student's withdrawal or cancellation, the institution shall refund the money to the student within 45 days of the student's withdrawal or cancellation

-In the event the calculated refund amount is less than the student's current unpaid balance, a refund will not be issued. The student remains responsible for the amounts due to the School.

-If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

-Refunds will be issued to the original payer of the tuition.

-Refunds will be made within 45 days of the Determination Date of Withdrawal.

Student Withdrawal: The date that the notice to withdraw is considered effective, shall be no later than the date received by the institution

ALL notices to withdraw/cancel must be in writing and can be submitted in person to the admission office or via email at questnec@gmail.com

ATTENDANCE POLICIES

Students are expected to attend ALL scheduled classroom and clinical sessions. When a student misses a session, they may not be able to complete the program. Requests for make-up sessions will be considered and such requests will be considered/granted at the discretion of the Program Director. The institution is not obligated to provide make-up sessions or hours. In addition, the following policies apply

1. Students are expected to attend classes and clinical hours for the full scheduled time. If a student is unable to attend class or clinical laboratory, it is the responsibility of the student to notify the instructor and/or appropriate staff immediately.
2. A student is considered to be tardy if they are not present at the beginning of the established class time. Leaving early is also considered to be tardy
3. Three episodes of being tardy is the equivalent of 1 missed day.
4. Students will be dismissed considered absent for the day if they are more than 30 minutes late to the class or clinical session
5. A student may not be absent for more than 2 theory days per term. A student may not miss more than 2 clinical days per term. For courses that are 4 months or less in duration, a student may not miss more than 15% of clinical hours and more than 15% of theory hours. If a student has missed more than the established requirement, they will be considered for expulsion from the program. Students will be required to make up ALL clinical and theory days missed before they can progress to the next term.
6. Make-up clinical hours can include performance evaluation in the skills lab or additional time in the clinical setting. Make-up theory hours can include independent study, additional assignments, written exams, attendance at seminars and research reports. For programs that have a minimum hour completion requirement for certification by an agency, make up time must be hour for hour with an instructor in the same type of setting they were absent from.
7. Exceptions to the attendance policy may be made in the event of emergency occurrences which are beyond the control of the student. Excusable absences include medical and family emergencies. A student may be required to provide documentation of the emergency. The Institution reserves the right to request a medical doctor's statement regarding satisfactory health status following an illness or injury, prior to a student's return.
8. Students are responsible for paying for the fees associated with make-up days

PROBATION AND DISMISSAL POLICIES

The school may cancel/terminate the Enrollment Agreement with the student and dismiss the student from the institution if the student violates any of the following:

- Failure to maintain satisfactory progress.
- Failure to comply with the school's attendance policy.
- Failure to comply with the school's student conduct policy.
- Fails to meet all financial obligations to the school.
- Violation of any of the conditions as set forth and agreed to in the Enrollment Agreement.

If a student is at risk of being dismissed for violating the policies listed above, they will be notified in writing that they are on Institutional Probation. The probation notice will identify the circumstances that a dismissal will be warranted moving forward. A student does not necessarily have to receive a probation notice to be terminated. Decision to dismiss the student is decided by the School Administrator.

LEAVE OF ABSENCE POLICIES

Quest Nursing Education Center does not offer leave of absences

STUDENT RIGHTS, STUDENT GRIEVANCES, AND COMPLAINTS

All students have a right to "Due Process" which means that all people must be treated fairly, according to the law and according to the institutional policies.

If a student has a grievance they must first try to resolve the grievance first verbally with the causing party and if that does not resolve the grievance, they can speak to their instructor and then the administrative registrar. If still not resolved, they can write a formal letter via email to the Institution's administrator at questnec@gmail.com.

The administrator will make the final determination of the outcome of the grievance and will notify the student of the outcome within 5 business days. A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet web site www.bppe.ca.gov."

RETENTION OF STUDENT RECORDS

The School retains a student's academic and financial records according to BPPE guidelines. Records are secured at the institution's location at 917 Harrison st. Oakland CA 94607 in locked fire resistant cabinets and also in a secured electronic database. Quest Nursing Education Center maintains a file for each student who enrolls in the institution whether or not the student completes the educational service. The file contains all of the student's pertinent records. Financial and academic records are maintained in separate files in the same folder. Pertinent records include written records and transcripts of any formal education or training, testing, or experience that are relevant to the student's qualifications for admission to the institution or the institution's award of credit or acceptance of transfer credits. Pertinent records are stored for a period of 5 years from the student's date of completion or withdrawal. Transcripts are stored and retained permanently. The student has the right to inspect academic and financial records, by appointment, during regular school hours. The student may also request copies of their records via phone. The school may not release or disclose academic, personal, or financial information without first securing a written release from the student.
